

Making office spaces... better places

Ashwood Office Interiors

Ashwood Office Interiors possess both the skill and experience to provide our customers with a complete office fit-out from start to finish. Offering innovative design and exceptional service, we are proud to be considered a highly efficient organisation, with a policy of striving to be 'right first time'.

Ashwood Office Interiors can take responsibility for your total office redesign. Quality assurance is the key to the Ashwood Office Interiors range of services. We only use the best quality materials from superior suppliers.

Our refurbishment services include:

- Partitions
- Ceilings
- Decoration
- Electrics
- Office Furniture
- Carpets & Kitchens

We offer our customers:

- Office fit-out, refurbishment and relocation services
- Outstanding designs which allow them to add individuality and style to their projects
- Expertly managed projects
- Continued service after completion
- A nationwide service
